Acknowledgement of Country

The Shire of Kojonup acknowledges the first nations people of Australia as the Traditional custodians of this land and in particular the Keneang people of the Noongar nation upon whose land we meet.

We pay our respect to their Elders past, present and emerging

Prayer – Cr Warland

Gracious Father, we acknowledge you as our Maker and Judge. We ask for wisdom for our reigning monarch Queen Elisabeth. Grant to her good health and strength in the executing of her duties.

We pray for all Ministers and Cabinet members of the Australian Federal and State Government. Grant to them wisdom in the welfare of Australia, so that truth and justice is established for all Australians.

Lastly Gracious Father, we pray for ourselves. We ask that you might grant to us the ability to speak with integrity and to work with uncompromising diligence. Grant to us the wisdom to make good decisions, remembering that we are one community. Grant to us the good humour to keep things in perspective in a community that is a diverse population.

We ask that we might always be mindful of the safety and welfare of the people of Kojonup. Grant to all who serve on Public Committees the ability to listen and work together with mutual respect for one another. Bless us with the personal joy of knowing that we have done our best.

SUMMARY

At its 22 October 2015 Ordinary Council Meeting Council passed the following Council Decision:

1. Establish the Kojonup Natural Resource Management (NRM) Advisory Committee to advise Council on NRM matters and projects that should be promoted or pursued utilizing the Landcare Trust funds or sourcing external funds.
2. The NRM Trust Fund Reserve to be no less than \$20,000.00 at any one time.
3. Council allocating an agreed annual amount towards NRM projects as mutually agreed and prioritised with the Kojonup NRM Advisory Committee.
4. Community Representatives on the Advisory Committee for the next two (2) years to be Graham Blacklock, Kath Mathwin and Jennifer Edgerton-Warburton.

BACKGROUND

Natural Resource Management Committee meeting dates for 2019 were suggested for council approval to forward plan for members of the Committee.

COMMENT

Dates suggested do not clash with Ordinary Council Meetings or the Story Place/Gallery Work Group. There is no scheduled February meeting as the NRM/Landcare officer will be unavailable until end of March.

COMMITTEE DECISION 48/17

That the below dates for the Natural Resource Management Committee meetings be considered by Council for adoption, subject to change if found unsuitable for the majority of Natural Resource Management Committee members:

1. *Thursday, 16 May 2019*

DECLARATION OF INTEREST

SUMMARY

To consider a request from the landowners to vary a condition of development approval for some recently approved motel units on the above property. The variation would allow:

- The previously approved universal access motel unit on Lot 12 to be used as a standard motel unit; and
- Allow for a purpose-built universal access motel unit on adjoining Lot 13 (purchased by the applicant).

The recommendation is to support the request.

BACKGROUND

Council at its 19 June 2018 meeting (Resolution 72/18) considered the original application and resolved to approve the development subject to a number of conditions including:

- b) A maximum of eight (8) single-room accommodation units and one (1) office/storeroom is permitted.

Council at its 16 October 2018 meeting (Resolution 128/18) considered a request to vary the original approval and resolved as follows:

- b) A maximum of nine (9) single-room accommodation units is permitted.

COMMENT

The landowners have purchased Lot 13 (Cornwall House to the south) of the original approved development on Lot 12 for which they have sought approval from the WA Planning Commission to amalgamate. Consequently, the landowners have now submitted a further request to amend the development (copy attached) and seek approval to now utilise the approved universal access motel unit on Lot 12 as a standard motel unit and develop a purpose-built universal access motel unit on Lot 13.

The result is that there would be a total of 10 motel units being 9 standard motel units and 1 universal access motel unit.

As the landowners/applicant intends to amalgamate the properties, the proposal will ultimately (when the amalgamation is completed) result in all the development being on 1 combined lot. At this stage, the proposal requires that Council both vary the existing development approval for Lot 12 and grant development approval for Lot 13.

The applicant advises that the new universal access motel unit (6m x 3m) has been specifically designed and constructed to the relevant regulations and better meets the needs of universal access and guests. The unit to be constructed at the rear of Lot 13 (behind Cornwall House) will have adjoining parking and provide easy access to the administration office and managers residence. The unit will be clad in the same materials and will have a small verandah like the other approved units.

The *Planning and Development (Local Planning Schemes) Regulations 2015* (c.77) ‘Amending or cancelling development approval’ allows the Council to consider requests from landowners to amongst other things, amend or delete, any condition to a development approval. The Council may either approve the request with or without conditions or may refuse the request.

The proposed changes are considered generally consistent with the intent of the original approval and are relatively minor and can be supported.

Town Planning Scheme No. 3 controls

The proposed new universal access motel unit on Lot 13 complies with the definition of Motel under TPS3 which is described as:

Motel - means land and a building or buildings used or intended to be used to accommodate patrons, including holiday makers and travellers, for temporary periods in a manner similar to a hotel but with separate bathing and toilet facilities for each suite and in which special provision is made for the accommodation of patrons with motor vehicles and includes holiday flats and chalets;

The Motel land use is an AA discretionary land use within the Commercial Zone under TPS3 which means the Council may, at its discretion, permit the use.

TPS3 requires that all development comply with the relevant development standards in Table II – Development Table unless a variation is approved by Council. The development standards that apply to a Motel development are shown in the table below:

Minimum Boundary Setback (m)			Maximum Plot Ratio	Minimum Landscaped Area (%)	Minimum Number of Car Parking Bays
Front	Rear (Average)	Side			
9	7.5	3 per storey	1.0	30	1 per unit, plus 1 space per 25m ² of service area

Setbacks

The proposed units achieve all the minimum boundary setbacks.

Plot Ratio

The new motel unit will add only 0.008 to the existing plot ratio on the site and much less than the 1 allowed.

Landscaping

The applicant has committed to landscaping around the new motel unit to blend in with the existing garden/landscaping around Cornwall House.

Car Parking

The new motel unit will have a designated parking bay adjoining the unit. This achieves the minimum number of car parking bays required.

As the property fronts Albany Highway which is partly controlled by Main Roads WA through the Kojonup townsite, their comments have been sought on any requirements for the proposed new driveway and sign. They have concerns regarding large trailers/boats parking on-site and the potential use of Albany Highway for parking. They have indicated that they may seek an entrance only off Albany Highway and exit via Spring Street as a condition of the proposed property amalgamation. Staff have met with the WA Planning Commission to discuss their concerns and seek a resolution.

Access to the new universal access unit is expected to be an extension of the existing driveway access from Lot 12, rather than a separate access of Spring Street, and it is expected that the result maybe as Main Roads WA desire.

As the proposal adjoins land at the rear of the site along Pensioner Road that is zoned Residential, TPS3 requires the Council consider the following scheme provision in assessing the application:

5.8 DEVELOPMENT ON LAND ABUTTING A RESIDENTIAL ZONE

In determining an Application for Planning Consent relating to any non-residential development on land abutting a Residential Zone the Council may;

- a) assess the proposed development for conformity with such standards as the Council considers necessary to address the potential nuisance of the proposed development on the residential areas; and,*
- b) impose such conditions considered by the Council to be necessary to ameliorate the impact of the proposed development on residential areas.*

The proponent has committed to ensuring the development is functional and made attractive with boundary fencing, landscaping and on-site vehicle parking and will comply with all relevant standards.

TPS3 Considerations

The *Planning and Development (Local Planning Schemes) Regulations 2015* (c.67) requires the Council in considering an application for development approval including when considering the variation and/or deletion of a condition of development approval have regard to those matters relevant to the application from the list. Those relevant matters are discussed in the table below:

Matter to be Considered	Response
(a) the aims and provisions of this Scheme and any other local planning scheme operating within the Scheme area;	The proposal is considered consistent with the objectives for the TPS3 (c.1.6) and Commercial Zone (c.3.2.3).

<p>(b) the requirements of orderly and proper planning including any proposed local planning scheme or amendment to this Scheme that has been advertised under the <i>Planning and Development (Local Planning Schemes) Regulations 2015</i> or any other proposed planning instrument that the local government is seriously considering adopting or approving;</p>	<p>The proposal can achieve the required development standards and is considered consistent with the orderly and proper planning of this area in Kojonup. The Council has received a request from the landowner to modify the site plan. The Council under the <i>Planning and Development (Local Planning Schemes) Regulations 2015</i> may vary or delete any condition of development approval.</p>
<p>(k) the built heritage conservation of any place that is of cultural significance;</p>	<p>The motel units will adjoin Cornwall House which is contained on the Shire’s Municipal Inventory for its cultural heritage values. The proposal will not adversely affect the heritage values of the adjoining site.</p>
<p>(l) the effect of the proposal on the cultural heritage significance of the area in which the development is located;</p>	<p>The proposal will not adversely affect the heritage values of the area.</p>
<p>(m) the compatibility of the development with its setting including the relationship of the development to development on adjoining land or on other land in the locality including, but not limited to, the likely effect of the height, bulk, scale, orientation and appearance of the development;</p>	<p>The proposed universal access motel unit will be compatible in height, bulk, scale and appearance with the other approved motel units and other similar structures in the commercial areas in Kojonup.</p>
<p>(n) the amenity of the locality including the following- (i) environmental impacts of the development; (ii) the character of the locality; (iii) social impacts of the development;</p>	<p>The proposal is not expected to negatively impact on the environment, character or amenity of this commercial locality.</p>
<p>(q) the suitability of the land for the development taking into account the possible risk of flooding, tidal inundation, subsidence, landslip, bush fire, soil erosion, land degradation or any other risk;</p>	<p>The land is considered suitable for the proposed development.</p>

(r) the suitability of the land for the development taking into account the possible risk to human health or safety;	The proposal is not considered to increase risk to human health or safety.
(s) the adequacy of - (i) the proposed means of access to and egress from the site; and (ii) arrangements for the loading, unloading, manoeuvring and parking of vehicles;	See comments in report.
(t) the amount of traffic likely to be generated by the development, particularly in relation to the capacity of the road system in the locality and the probable effect on traffic flow and safety;	See comments in report.
(u) the availability and adequacy for the development of the following - (i) public transport services; (ii) public utility services; (iii) storage, management and collection of waste; (iv) access for pedestrians and cyclists (including end of trip storage, toilet and shower facilities); (v) access by older people and people with disability;	The new motel unit is specially designed for universal access and achieves the minimum requirements for the National Construction Code

Conclusion

The proposed changes to the original site plan and approval of the new universal access motel unit are consistent with the intent of Council’s previous approvals and should be supported.

The completion of the amalgamation is considered important to ensure that the development is consolidated onto 1 property and a condition and some advice notes are recommended to facilitate the developments at this stage are on 2 lots.

Alternate Options

The Council has several options available to it, which are discussed below:

1 Refuse the request

The Council can choose to refuse the request and/or application. If refused, the Council need to provide grounds for not supporting the request.

2 Approve the request

The Council can choose to approve the request and/or application, in part or whole, and with or without conditions.

3 Defer the proposal

The Council can choose to defer the matter for a period of time and seek additional information from the proponent, if deemed necessary to complete the assessment, before proceeding to make a decision.

The decision of the Council is a reviewable determination under the *Planning and Development (Local Planning Schemes) Regulations 2015* (c.76) 'Review of decisions' and the landowner may apply to the State Administrative Tribunal for a review of the decision and/or condition made by the Council.

CONSULTATION

Nil required.

STATUTORY REQUIREMENTS

Planning and Development Act 2005 and *Planning and Development (Local Planning Schemes) Regulations 2015* - This application is required to be determined in accordance with the requirements of Town Planning Scheme No. 3 which is an operative local planning scheme under the Act.

OFFICER RECOMMENDATION

That Council:

- 1) Approve the request and alter the approved new site plan to show Unit 1 as a standard motel unit on No. 70 (Lot 12) Albany Highway, Kojonup.
- 2) Grant development approval for the new universal access motel unit on No. 72 (Lot 13) Albany Highway/Spring Street, Kojonup subject to the following conditions/advice:
 - a) The lots being amalgamated to the satisfaction of the Chief Executive Officer (confirmation of the Landgate dealing number or similar) prior to the Building Permit being issued for the new unit.
 - b) The development to be generally consistent with the attached stamped approved plan and where marked in red, unless a variation has been approved in writing by the Chief Executive Officer.
 - c) A maximum of 1 universal access accommodation unit is permitted.
 - d) The building to be repainted in a pastel colour/tone and include a verandah to match the existing units on Lot 12.
 - e) The provision of 1 on-site parking bay suitable for the patron's vehicles to the satisfaction of the Chief Executive Officer. No parking of patron's vehicles is permitted on the road verge or adjoining land.
 - f) Any new access/egress crossover point onto Spring Street to be sited, designed and constructed to the satisfaction of the Shire of Kojonup and/or onto Albany Highway in consultation with Main Roads WA.
 - g) The accommodation unit to be connected to the Water Corporation deep sewer and water supply networks.
 - h) All stormwater to be retained and/or disposed of or reused on-site.
 - i) The site to be landscaped including shade trees and vegetation between the buildings and boundaries in accordance with a Landscaping Plan to be submitted for approval by the Chief Executive Officer.
 - j) The provision of a 1.8m high screen fence along the side boundaries at the proponent's cost.
 - k) The proponent to prepare a bushfire management plan and/or evacuation plan to achieve compliance with the WA Planning Commission's State Planning Policy 3.7 'Planning in Bushfire Prone Areas' to the satisfaction of the Chief Executive Officer in consultation with the Department of Fire and Emergency Services.

Advice Notes:

- a) The placement of the unit and construction of the verandah addition requires a separate Building Permit to be obtained prior to any works commencing.*
- b) A Demolition Permit may also be required to be obtained prior to any sheds or structures being removed from Lot 13 to facilitate the development.*
- c) The applicant is encouraged Applicant is encouraged to liaise with their Registered Building Surveyor Contractor to ensure that the proposed position of the new unit and access to common areas can achieve the minimum requirements of the National Construction Code.*
- d) The provision of a rubbish service for the proposal will need to be negotiated through the Shire.*
- e) It is important that the accommodation unit and patrons are properly managed to ensure there is no disruption or adverse impacts on the surrounding properties.*
- f) The applicant making arrangements to the satisfaction of the Environmental Health Officer for a rubbish storage area (i.e. bin enclosure) and collection service.*
