These reported fires provide a vital argument when the Shire requires extra funding or there is a need for extra resources to be allocated to this area.

All fires need to be reported to DFES Comcen. This allows there to be a record of incidents which can be utilised for resource allocation.

10.2 Election of CBFCO, DCBFCO and two (2) senior FCO’s to be recommended to the Kojonup Shire Council for appointment to their respective positions for the 21/22 Fire Season.

10.4 Drought Communities Programme

The Shire is currently progressing the purchase and installation of 100,000 litre water tanks near the existing standpipes at Katanning/Kojonup Road and at Muradup.

- Construction of a new water storage dam on part of the land presently leased to the Kojonup Football Club for cropping opposite the Saleyards to capture and store stormwater runoff from the Industrial Estate and surrounding catchment which in turn can be pumped to the storage dam at the Showgrounds or to Turkey Nest which irrigates the Sports Oval has occurred and pumps works and associated piping is progressing.
- Constructing new retarding basins at Quin Quin Reserve and Old Drive-in area to slow stormwater during storm events as well as supplement supply for irrigation of public open space is progressing.

10.5 Communications Tower

Council officers are continuing to liaise with the Department of Lands regarding the section of land contained within the Jingalup/Balgarup Road Reserve to ascertain approvals required to dedicate land specifically for the Communications Tower. This involves a comprehensive survey of the area, creation of a separate lot as distinct from the Road Reserve for the tower footprint, lodgement fees, and subdivision and development approvals. State approval based on tower design as to whether it requires guide wires or is stand alone is also essential to ensure the creation of a separate lot. This process is certainly not quick as the tower will initially accommodate DFES (WAERN) infrastructure, Bushfire Infrastructure and Council's own radio network, so the process is very methodical given it will stand in situ for 40 plus years.

10.6 Volunteer Bushfire Brigades – AGM Minutes 2021

Any items which BFAC wish to draw to Council's attention that has not been separately listed in the agenda? [Refer Attachment 10.6.1](#)

11. ITEMS (General Business)

11.1 Community Emergency Services Manager Update

Mr Bransby is presently in Geraldton assisting in recovery operations from Cyclone Seroja until 3 May 2021.

11.1 Town Site Firebreak Inspection Dates

As discussed at the BFAC Meeting 29 October 2020, the dates for the firebreak inspections within the gazetted town site boundaries of Kojonup and Muradup are to be recommended to Council at the Ordinary Meeting scheduled for 18 May 2021 to be moved forward by four weeks to 2 November. This will allow the Council to ensure that there is sufficient time to enforce any measures that are taken on properties that are not up the required standards as prescribed in the Fire Break notices produced each year. The dates for all land outside of the gazetted town sites are to remain unchanged.
