Dear Steve

**RE: PROPOSED FLAT ROCKS WINDFARM**

As your Council is no doubt aware the Shire of Broomehill-Tambellup also has a similar planning application before it relating to a proposal to establish the Flat Rocks Windfarm on the western boundary of the Shire.

Council is still to make a decision on the application that it has before it and is not able to comment at this time. It should be noted however that if the project proceeds the applicants need to be aware that the Broomehill-Tambellup Council will seek to recover the costs of any upgrade or additional maintenance that may be required to its road infrastructure as a result of the project proceeding.

We thank you for the opportunity to comment.

Yours faithfully

Joanne Trezona  
CHIEF EXECUTIVE OFFICER
