### Shalom ‘Tough Love’ Seminar

It was terrific to see so many community members and visitors in attendance as Peter Lyndon-James spoke on the issue of drug addiction, family dysfunction and the path to healing.

Pete delivered his message in his own ‘straight talking’ style. The message was challenging, confronting, honest, humorous and heart-warming.

Thank you to all who attended to hear Shalom’s approach on dealing with the social dilemma of drugs, addictions and the effect on users, families, friends and the community including essential strategies to break the cycle of manipulation, deceit and dysfunction with honesty and love.

Pete and Amanda also spoke at the school the following morning which was very well received.

Thank you, Peter and Amanda, for sharing your life experiences with us and in so doing showing us that we are not alone in our efforts to address this scourge on society and the impacts it has on our loved ones.

If anything which was discussed at the seminar has worried you or caused you distress, please make sure you contact someone for support. Professional care and assistance is available from a range of organisations and a good resource of available support services can be found at <https://www.ruok.org.au/findhelp>

## SPRINGHAVEN

'Ole!' It was all things Mexico this week at Springhaven as the residents celebrated Mexican Independence Day. The residents had such a fun day enjoying some Mexican themed activities including a friendly competition of "Pin the Tail on the Donkey". The residents enjoyed listening to some beautiful Mexican music as they enjoyed a fantastic Mexican feast.

Earlier in the week some of our residents were able to enjoy the Kojonup District High School's production of 'Alice in Wonderland'. The residents thoroughly enjoyed it and were full of compliments for all the children involved in the play. You could tell an incredible amount of work went in to the play. It was a fantastic day out!

It is with great sadness that we announce the passing of our beloved Barbara Boddington. Springhaven will not be the same without her. Who will lead the singing now? Her presence is sadly missed. Condolences to Lynn and family.

If anyone has a special talent, plays a musical instrument or if you have a special pet you would like to bring in for pet therapy with residents – please contact Alex on 9831 2800.

### WESTERN AUSTRALIA 'I NEED AN INTERPRETER CARD'

Did you know that the WA Interpreter Card is free and available to anyone who finds it difficult to communicate in English. These cards are used to inform government agencies that you need an interpreter and in what language.

Western Australians who may require assistance to communicate effectively include people who are Deaf or hard of hearing, Aboriginal people and people from culturally and linguistically diverse backgrounds.

The Shire of Kojonup supports a linguistically diverse community and under our Disability Access and Inclusion Plan seeks to ensure that members of our community with limited competence in the English language do not find it a barrier to accessing services. If you or a family member require an interpreter card we encourage you to contact the Shire's Community Development Officer [cdo@kojonup.wa.gov.au](mailto:cdo@kojonup.wa.gov.au) who can request a WA Interpreter card from the Office of Multicultural Interests on your behalf or you can email your request with your postal details directly to [harmony@omi.wa.gov.au](mailto:harmony@omi.wa.gov.au) and they will post out the card to you.

## CORPORATE AND COMMUNITY SERVICES

The Early Years Programs have been a highlight in our community at the moment! Must be the weather? Play Cafe has been so much fun, with the children making cars, tractors (with tracks not wheels) and an excavator! All out of cardboard, local panel paint with poster paint, incredible exhausts from kitchen paper holders. Our kids and mums are certainly our future!!

Kat brings so much joy and fun to the children with her antics 😊 Poor Charlie got bogged, but its ok big sister Lucy came to his rescue!

So much fun was had at the Kojonup Playgroup as A Smart Start funded by the Lions Club of Kojonup held the **'Nature Play'** morning, with Kristie guiding parents and encouraging them to actually help their children discover the fun of nature and playing with the children. Proudly, no child went home clean or dry after making volcanos using coloured vinegar, bi-card & colouring. The fun making dams on the pavement using sand, mud from a dam and water was great to jump in. Painting the paths with coloured water from crushing chalk, coal from the fire, mixing in sand & sawdust for texture. Topped of with bread making using a sour dough base....I wonder how many actually made it to the oven?

## How to help your child boost their sense of wonder:

1. Give them ample time to explore nature...hands on.

2. Don't have a plan or agenda on outside play

3. Be the parent that co-discovers and encourages your child's inquisitiveness.

4. Use nature's toys, sticks, rocks, leaves, nuts water and mud.

5. Have slow fun days, which allows your child to become bored, then show them nature!
